

ERASMUS+

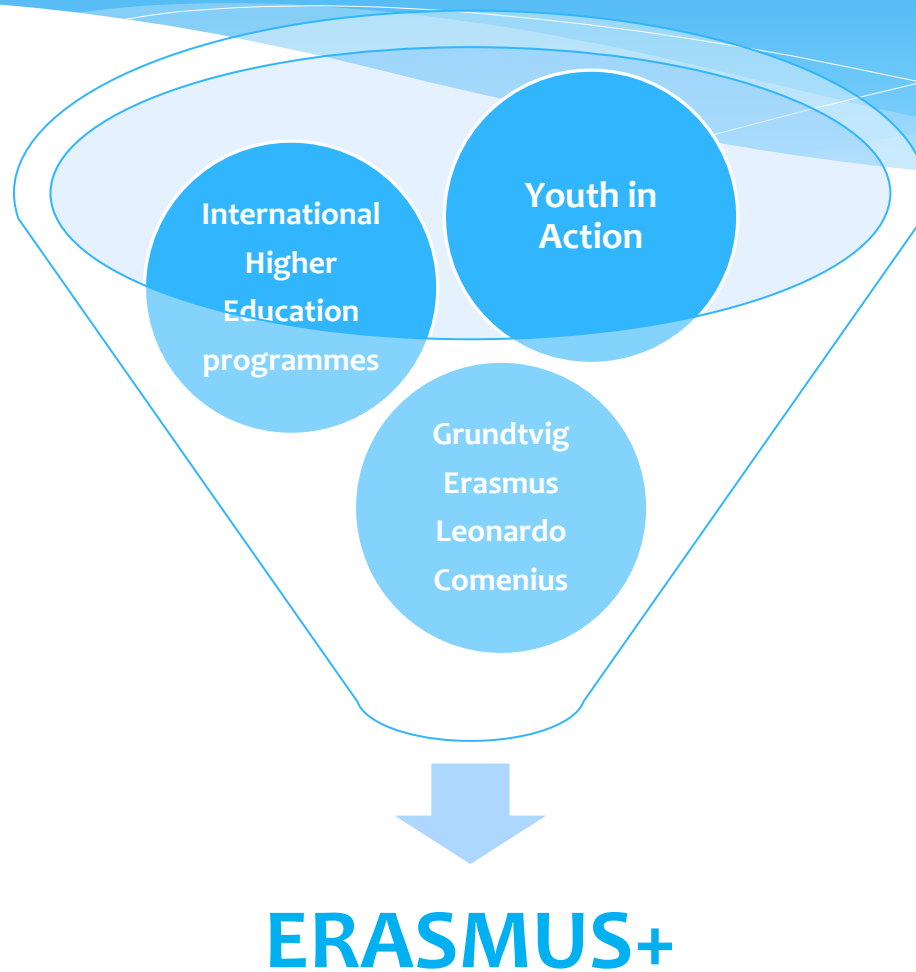

2014 - 2020 programme for Education,
Training, Youth, and Sport

WHAT IS ERASMUS+?

Erasmus+ is the new EU programme for education, training, youth and sport that will replace the Lifelong Learning Programme (Leonardo, Comenius, Grundtvig, Erasmus and Jean Monnet actions), Youth in Action and five other international programmes starting from 2014.

This new programme will focus on formal and informal learning across EU borders to improve the skills and employability of students, educators and workers. It will reflect the priorities of the Europe 2020 strategy and its flagship initiatives.

ERASMUS+

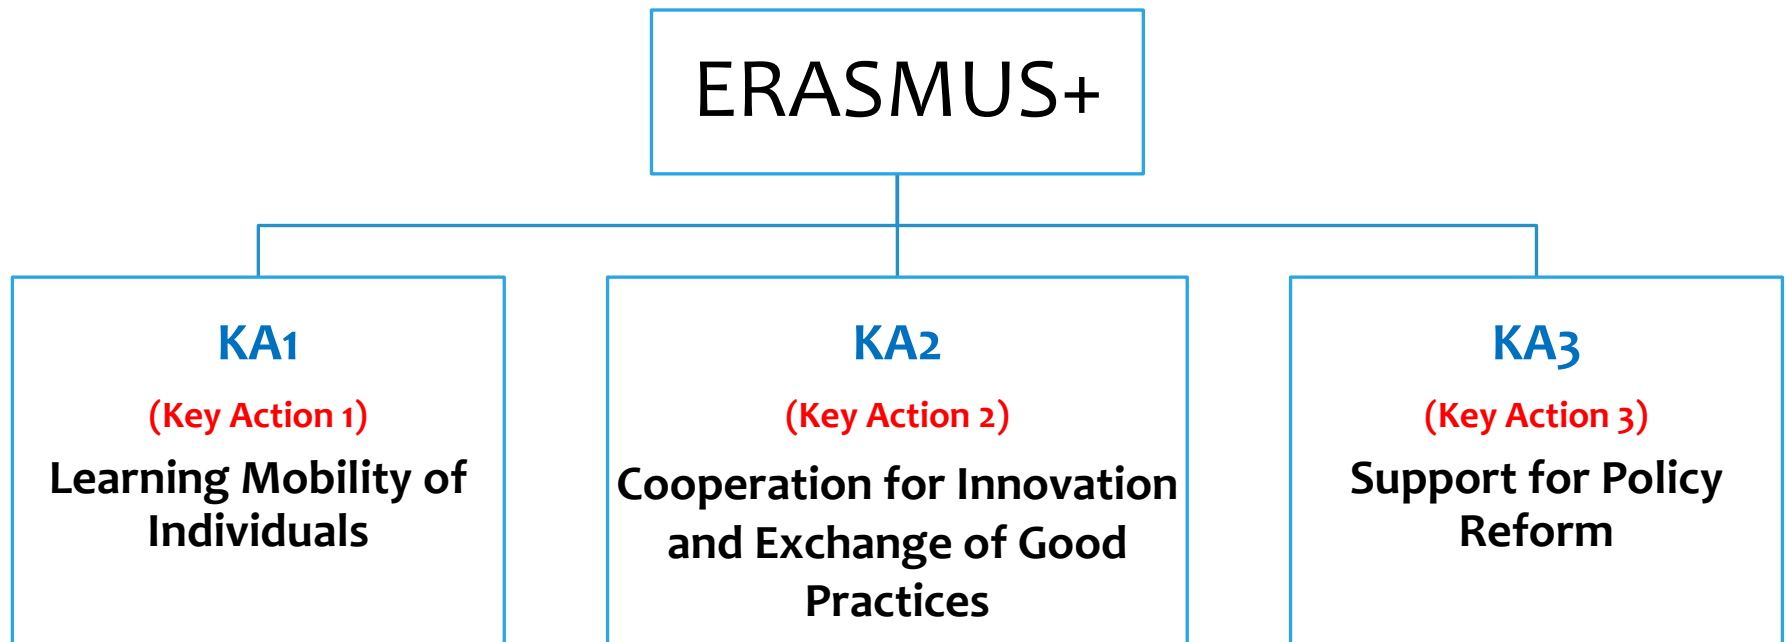

Aims and objectives of Erasmus+

Erasmus+ aims to boost skills and employability as well as modernise education, training, and youth work across Europe. It has a budget of approximately 14.7 billion euros across Europe and will, over the next seven years, provide opportunities for over 4 million Europeans to study, train, gain work experience and volunteer abroad and will also support transnational partnerships between education, training and youth organisations, as well as support grassroots sport projects.

Erasmus+ is an integrated programme based around five Actions:
